We have received a request for food support for Community Services Shelter Program for the homeless of Salt Spring Island. This is a program started by our United Church that we called "In From the Cold". It provides a hot meal and warm, dry, safe, overnight shelter for adults on the island during the coldest (1° or snow on the ground) nights of the winter. It has been open most nights since November 14th. **What is needed: fresh salads; home-made desserts; lasagna; casseroles; roasts: enough to feed 25 adults per night. Also welcome are spaghetti sauce, pasta, coffee, tea and fruit juices.** Food can be delivered to our church lower hall for storage in our freezer and pantry. It will be transferred to Community Services as needed by our Social Justice Committee. Contact George Taylor at 250-537-1893 for more details.
